

## **Bringing Patients' Voice to the FDA and Pharmaceutical Industry**

Join the Pediatric Brain Tumor Foundation on February 23rd for an Externally-Led Patient-Focused Drug Development meeting about pediatric low-grade glioma. This virtual meeting is a unique opportunity to hear pLGG patients, survivors, their families, and caregivers speak to the FDA and pharmaceutical companies about their experiences and the impact the disease has had on their daily lives. This event is free and open to the public.

All In Vs. Cancer

## Team Up to Take Down Pediatric Brain Tumors

Started by a student athlete and childhood brain cancer survivor, Vs. Cancer is a PBTF program that makes it easy for sports teams of any kind to help kids with brain tumors. If you or someone you know is involved with a school, club or recreational team, we'd love to talk about how you can be All In Vs. Cancer!

## A Survivor's Love of Books Leads to Research Funding

Diagnosed with a brain tumor when she was three years old, Zoe spent most of her time growing up in hospitals with a book in hand. Thirteen years later, she has combined her passion for reading and desire to give back through her Books 4 Brains read-a-thon for pediatric brain tumor research.
